

Client Representatives: Marine Cables & Offshore Construction

Based: Worldwide

Salary Range: Competitive day rate

Job Ref: 0228

Due to a continuing and growing demand for our services, Intertek METOC currently has a number of vacancies in the Oil & Gas, Marine Cables and Offshore Renewables Sectors. We currently require:

We have exciting current and ongoing requirements for suitably qualified, high calibre professionals to act as Client Representatives on existing and future cable installation and construction projects, worldwide.

Applicants should have a high level of technical expertise and relevant experience in one or more of the following disciplines:

- Offshore supervision of pipeline or cable installation projects
- Offshore supervision of pipeline or cable trenching
- Offshore construction and survey
- Offshore and subsea engineering

In return for your skills and experience, we offer a competitive day rate, full insurance cover, technical and logistical support, 24 hours a day / 365 days a year.

To apply please send your CV with a covering letter outlining your suitability to:

Diane Summers Intertek METOC, Exchange House, Liphook, Hampshire GU30 7DW (Tel: 01428 727800).
