

Metoc currently has a number of exciting projects in the Oil and Gas sector. Due to this growing demand, we have opportunities for talented individuals to develop their careers with us in the following areas:

**Consultants and Senior Consultants *Oil and Gas***  
*(based in Liphook, Hampshire, Dundee or Cardiff)* – Job ref:  
**0180**

Are you interested in being part of a dynamic team within Metoc's Oil and Gas portfolio, at a level which will bring specialist offshore skills within the senior grades, and provide more depth to the team? These roles are critical in the delivery of current and future projects within an exciting consultancy environment.

Our ideal candidate will have at least 3-5 years consulting experience in environmental risk and impact assessment for the Oil and Gas sector. Experience of HS&E programme management and environmental permitting & consents, for the offshore environment within UKCS, will be required.

In return for your skills and experience, we offer real opportunities to develop your professional competencies, and your career.

We operate a flexible working policy, and we can offer you a competitive salary and benefits package, with non-contributory pension, life assurance scheme, discretionary company bonus, and support for relocation, if needed.

If you are interested in applying for these vacancies, or would like more information, please send your CV with a covering letter outlining your suitability to: [kerryl@metoc.co.uk](mailto:kerryl@metoc.co.uk) or to Kerry Lamnea, HR Executive, Exchange House, Liphook, Hants GU30 7DW (Tel: 01428 727800).
