

Associates

We are looking for independent specialists in the energy sector with expertise in the following areas:

- Client representation in hydrographic surveying, geophysics, and geotechnics to help manage the growing number of projects for which Metoc is becoming responsible.
- Short-term consultants in environmental impact assessment, social impact assessment, and environmental and social action plan development. Fluency in a foreign language (especially French) is attractive.

If you wish to be considered for this opportunity, please forward an up-to-date CV to:

Diane Summers, HR Executive at:

Metoc plc
Exchange House
Station Road
Liphook
Hampshire
GU30 7DW
United Kingdom

Fax: 01428 727122
